

An all volunteer group was established, in May 2012, of interested community members, with the express purpose of establishing a plan and constructing a pedestrian, biking, inline skating trail, which will include cross country skiing and snow shoeing in the winter. The trail will be built around the 430 acre Jordan Lake, in Ionia County and Barry County and the Villages of Lake Odessa and the Woodland, Michigan.

- PHASE 1A (COMPLETE) — Woodland Twp (1.2 miles)
- PHASE 1B (2019) — Lake Odessa (1.4 miles)
- Woodland Phase (2.2 miles)
- Fairgrounds Phase (1.4 miles)
